Vinva Global Alpha Extension Fund Change of Auditor

Magellan Asset Management Limited ("**Magellan**") as responsible entity of Vinva Global Alpha Extension Fund (ARSN 635 318 991) (the '**Fund**') advises that there is a change in scheme auditor and compliance plan auditor for the Fund.

Effective from 10 July 2025, Ernst & Young (ABN 75 288 172 749) has been appointed as the scheme auditor for the Fund and the compliance plan auditor for the Fund, in each case replacing Deloitte Touche Tohmatsu (ABN 74 490 121 060). This appointment follows the resignation of Deloitte and receipt of consent from the Australian Securities and Investments Commission.

On 17 April 2025, Magellan was appointed as responsible entity of the Fund. The decision to change the Fund's auditor was made following this appointment in order to align with the auditor for other Magellan funds.
